

## **Spec Miata 2 (SM2)**

Approved by Atlanta Region BOD 01/10/2012

SM2 is an Atlanta Region regional-only class for all Mazda Miatas that comply with current SCCA GCR and category specifications for Spec Miata (SM). The SM2 tire rule is the same tire as listed in the current or previous year's GCR (with amendments in Fastrack) for the Spec Miata National race class. All four tires must be the same make.

Since SM2 is intended for the "less serious" Spec Miata driver, any driver in the top 50% of drivers in the National Points system and/or who has run a non-Club Racing "Pro" event in the last five years is not eligible.

The SM2 class is NOT currently eligible for SARRC points.
